

STAR WARS CELEBRATION SWAG LIST

**CHICAGO
2019**

WHAT IS THE SWAG CREW?

CREATE. SHARE. INSPIRE.

MISSION: CREATIVELY SHARING OUR PASSION AND INSPIRING OTHERS TO SHARE THEIR OWN

The SWAG CREW started in 2015 after SWC Anaheim with the idea of making fan created swag (something we all love to get) more available to everyone attending. The SWAG CREW exploded from that idea into a large fan group with over 2000+ members. The group is made up of *Star Wars* fans from all over the world for 1 reason, the love of SWAG!

A big part of our group is working with a local children's charity. This year at Celebration we will be raising funds for treasurechest.org by raffling off donated vintage toys and other items. Make sure to stop by to make a donation to receive a ticket for the raffle.

The SWAG CREW is teaming up with 6 other fan groups for 'Fill the Barge'. This a 15-piece challenge coin giveaway where each group has 1 or 2 coins available. SWCSC will have Salacious Crumb at our booth. The coins are very limited and we will only have a select number each day for those lucky enough to snag them. With every coin you win, you'll get your "Fill The Barge" card stamped. If you're able to get 7 stamps, you'll also receive a Free Fill The Barge Collectors coin album to display your coins.

The SWAG CREW was created by fans for fans to be a way to share our love for this universe George Lucas created. The SWAG Crew Facebook page is a sounding board to help everyone share their passion. Creativity has no limit. It only has different points of view.
